Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

**PART I: Compliance with 37 C.F.R. §1.97**

This Information Disclosure Statement is filed before the mailing of a First Office Action after the filing of a Request for Continued Examination under 37 C.F.R. §1.114 (37 C.F.R. §1.97(b)(4). No fee or certification is required. Applicant hereby petitions that the Information Disclosure Statement be considered.

PART II: Information Cited

The Applicant hereby makes of record in the above-identified application the information listed on the attached form PTO-1449 (modified PTO/SB/08). The order of presentation of the references should not be construed as an indication of the importance of the references.

The Applicant would also like to remind the Examiner of the co-pending applications listed in the table that follows. These co-pending applications include subject matter which may be technically related to subject matter of the present application and may contain claims that recite elements similar to those recited in claims of the present application. During prosecution, Examiners for the other co-pending applications will search for relevant prior art and, in some circumstances, take positions about the prior art and/or the interpretation of the claims that may be material to the examination of the present application.

Accordingly, Applicant respectfully requests that the Examiner review the file histories of the above-identified applications to determine whether there is any information that the Examiner believes may be relevant to the prosecution of the present application. It is assumed that the Examiner has access to the file histories of the above-identified applications, and Applicant does not plan to provide copies of items from these files. However, if the Examiner would like copies of any or all of the information included in the file histories of the above-identified applications, or any other information related to these applications, the Examiner is respectfully requested to contact the undersigned.

In accordance with 37 CFR 1.98(a)(2)(ii), Applicant has not submitted copies of U.S. patents and U.S. patent applications. Applicant submits herewith copies of foreign patents and non-patent literature in accordance with 37 CFR 1.98(a)(2).

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

The Director is hereby authorized to charge any deficiency or credit any overpayment in the fees filed, asserted to be filed or which should have been filed herewith to our Deposit Account No. 23/2825, under Docket No. M1103.70778US00.
